**Re: WC Docket No. 02-314 – Application of Qwest Communications International Inc. for Authorization to Provide In-Region, InterLATA Service in the States of Colorado, Idaho, Iowa, Montana, Nebraska, North Dakota, Utah, Washington and Wyoming**

Dear Ms. Dortch:

Qwest is providing the following information in response to a request by Commission staff for information concerning the October Long-Term PID Administration (“LTPA”) meeting.

The LTPA meeting held on October 3, 2002, was the first meeting of this new forum and, as such, was occupied by organizational discussions. As indicated in Mr. Williams' Reply Declaration in this docket, Qwest proposed meetings for October 29 and 30, respectively, to address further organizational issues and to start PID discussions. However, subsequent to the submission of Qwest's Reply Comments, the state staffs indicated a desire to compile a consensus summary document and allow for additional input on organization issues before holding the next meetings, which have yet to be scheduled.

Please contact Ronnie London at Hogan & Hartson if you have any additional questions on this matter. The 20-page limit does not apply to this filing.

Respectfully submitted,

*Hance Haney*
